**Renewed Petition Under 37 CFR Sec. 1.47(b) For U.S. Patent Application Wherein One or  
More Inventor's Cannot be Reached.**

On June 3, 2003, a Renewed Petition was filed in response to Dismissal of the Petition mailed April 10, 2003. Subsequent to the filing of the Renewed Petition, inventor Luc Phan, who had been listed as a non-signing inventor in the Renewed Petition, returned a signed Declaration of inventorship, which was sent to him along with a copy of the Re-issue Application. As instructed by Petitions Attorney Charlema R. Grant of the Office of Petitions, the signed Declaration of Mr. Phan is submitted herewith to supplement the Renewed Petition of June 3, 2003.

Sufficient evidence of the diligent effort put forth in attempting to secure the execution of the declaration sent to each of the inventors of the above identified Patent Application is believed to have been submitted in order to secure acceptance of the Renewed Petition of June 3, 2003.

Applicant authorizes the Commissioner of Patents and Trademarks to charge any extensions or outstanding fees associated with this matter to Deposit Account 22-0350.
